

# ANIMAL SURRENDER AGREEMENT

The APAAP Dog Rescue desires to be a service source where potential pet adopters can be matched with animals in need of new homes. We recognize that unfortunate circumstances can develop in responsible pet owners' lives that cause them to consider parting with a beloved pet. **However, surrenders are only taken if there is room in an APAAP Dog Rescue foster home and only if the animal is determined to be an adoptable animal by the appropriate APAAP Dog Rescue representative.**
